SpirePoint Charity Spotlight

Each month, SpirePoint Private Client highlights a charity that is doing excellent work in our community. This month, we have chosen Gifford Youth Achievement Center. Your generosity makes GYAC's year-round academic programs possible.

GYAC's goal is to help Indian River County's underserved individuals succeed in school and in life. They offer transformative programs and activities that impact not only the lives of their K-12 youth, but also their families. Their afterschool program offers homework assistance, tutoring, cultural enrichment, character building and recreational activities. In the summer, GYAC runs a low-cost academic-based summer camp that not only prepares students for the year ahead but also allows them time to be kids and enjoy everything summer break has to offer. In GYAC's Youth Employability Program, students

in grades 8 – 12 develop skills for a life-changing future. Through career research, workplace training and hands-on experience with local businesses, students emerge from the program as more confident and capable individuals.

GYAC has many opportunities for you to give. Your support helps fund scholarships, educational endeavours, degreed teachers' salaries and more. They adhere to a donor confidentiality and privacy policy. Please visit mygyac.org/ways-to-give and consider this organization in your future gifting plan.
