SpirePoint Charity Spotlight

Each month, SpirePoint Private Client highlights a charity that is doing excellent work in our community. This month, we have chosen Indian River Habitat for Humanity.

Indian River Habitat for Humanity believes that a safe, affordable home is the foundation for a stronger future. Since 1991, they've partnered with families, volunteers, and donors to build and repair homes across Indian River County, creating opportunity, stability, and community.

This summer, they are excited to break ground on Gifford Gardens, a vibrant new neighborhood that will bring over a dozen affordable homes to life in the historic Gifford community. These homes are more than construction projects; they're life-changing opportunities for families to

thrive, thanks to the generosity and commitment of Habitat for Humanity's partners.

Looking ahead, they are preparing for a future neighborhood: Citrus Crossing. Scheduled to break ground in January 2026, Citrus Crossing will feature 32 new homes, providing hard working local families with the stability and dignity of homeownership.

Indian River Habitat is not only a builder, but also a catalyst for positive change. Through affordable housing, they invest in families, strengthen neighborhoods, and build a better future for all.

You can help make it happen. Volunteer, donate, or learn more at IRCHabitat.org
