SpirePoint Charity Spotlight

Each month, SpirePoint Private Client highlights a charity that is doing excellent work in our community. This month, we have chosen Thrive IRC.

Thrive IRC, formerly the Substance Awareness Center, is a 501(c)(3) nonprofit that has served Indian River County for over 35 years. As a trusted local leader in substance misuse prevention, education, and recovery support, they are committed to protecting and empowering our community.

Thrive's evidence-based prevention programs in schools and the community equip youth, parents, and educators with the knowledge, coping skills, and resources to reduce the risk of addiction. They also lead public awareness campaigns such as SAMHSA's "Talk. They Hear You." and the DEA's "One Pill Can Kill," promoting vital conversations that save lives.

In addition, they operate trusted drug testing services for courts, employers, and the public at their Vero Beach and Sebastian offices.

With the opening of a larger facility, Thrive is expanding its reach. Community donations and events like the annual Freedom 5K Run/Walk help Thrive continue building a healthier, stronger Indian River County. For information on this year's 5k taking place on Saturday, September 27th visit www.Freedom5kIRC.com.
