

SpirePoint Charity Spotlight

Each month, SpirePoint Private Client highlights a charity that is doing excellent work in our community. This month, we have chosen The Alzheimer & Parkinson Association of Indian River County.

The Next Chapter Campaign:

More Space. More care. More lives changed.

The Alzheimer & Parkinson Association of Indian River County is entering an exciting new chapter! We are moving into a new home, close by and filled with even greater promise, so that we can continue our mission of offering support, education, and connection to families affected by memory and movement disorders.

This is not just a move. It is an investment in the future. Through The Next Chapter Campaign, we are creating a space that allows us to enhance programs, improve accessibility, and strengthen coordination between staff, participants, and services.

Your support matters. By joining this campaign, you can:

- Strengthen programs and services for individuals and families.
- Honor your legacy or that of a loved one by naming a room, space, or the Center as a testament to your generosity.
- Help grow an organization dedicated to ensuring that no person or family in Indian River County faces a memory or movement disorder alone.

Naming opportunities are still available, and every gift tells a story. Be part of our story and make a lasting impact on countless lives.
